

My Early Warning Signs

If I feel unsafe my body lets me know.

Here is how!

Hair feels like it is standing on end

Sweaty brow

Start to cry

Heart beats fast

Goosebumps

Feel sick in the tummy

Sweaty palms

Shaky all over

Need to go to the toilet

Wobbly legs

If I feel unsafe, I must tell a trusted adult on my Safety Network straightaway!

we are a

CHILD SAFE

home

We PROUDLY teach Body Safety Education to the children in our care.

The children are educated to TELL when they feel unsafe.

We are educated to:

- 1.** recognize and report grooming behaviors.
- 2.** recognize and report indicators a child is being sexually abused.
- 3.** teach Body Safety Education to the children.

We have ZERO tolerance for the sexual abuse of children!

My Body Safety Rules

My body is my body and it belongs to me!

I can say, 'No!' if I don't want to kiss or hug someone.
I can give them a high five, shake their hand or blow them a kiss.
I am the boss of my body and what I say goes!

I have a Safety Network

These are five adults I trust. I can tell these people anything and they will believe me.
If I feel worried, scared or unsure, I can tell someone on my Safety Network how I am feeling and why I feel this way.

Early Warning Signs

If I feel frightened or unsafe
I may sweat a lot, get a sick tummy,
become shaky and my heart might
beat really fast.

These feelings are called my Early Warning Signs. If I feel this way about anything, I must tell an adult on my Safety Network straightaway.

Secrets

I should never keep secrets that make me feel bad or uncomfortable. If someone asks me to keep a secret that makes me feel bad or unsafe, I must tell an adult on my Safety Network straightaway!

Private Parts

My private parts are the parts of my body under my bathing suit. I always call my private parts by their correct names.
No-one can touch my private parts.
No-one can ask me to touch their private parts. And no-one should show me pictures of private parts. If any of these things happen,
I must tell a trusted adult on my Safety Network straightaway.
