Enhance

More than one way to thrive

Dear Educator and family,

As part of our ongoing commitment to child safety and wellbeing, we're pleased to share several key documents that guide, inform, and support our daily practice at Enhance. These foundational resources include:

- The Code of Ethics
- The United Nations Convention on the Rights of the Child
- Our Service-Created Charter of Commitment

Each document is easily accessible through our Educator Portal & Parent Portal (via Harmony) and can be drawn upon to support how we as a community engage with and view the important role, we all play in the lives of the child.

We truly appreciate your ongoing commitment to supporting the children, families, and communities we serve. Your involvement is a vital part of our shared vision and values.
Warm regards,

The Enhance Team
