National Science Week
15th of August - 23rd of August 2026

Dear Educators,

National Science Week is just around the corner, and we invite you to join the nationwide celebration of science, technology, engineering, and mathematics (STEM) from **15th - 23rd of August 2026.**

This annual event provides a fantastic opportunity to spark curiosity, encourage critical thinking, and inspire the next generation of scientists, innovators, and problem-solvers.

I have attached some resources below from the National Science week webiste for you to explore.

Thank you for your ongoing commitment to inspiring young minds. We look forward to seeing the creative and engaging ways you celebrate National Science Week.
