Enhance

Family Day Care and In Home Care

Hi Families,

We are currently reviewing and updating our **Quality Improvement Plan (QIP)** and would love to hear from you.

Your feedback helps us reflect on what we're doing well and identify opportunities to continue improving our Family Day Care service.

We would appreciate your thoughts on any of the following:

- What do you love most about Family Day Care?
- What do you feel we do well?
- Is there anything you would like to see more of?
- Are there any improvements or suggestions you would like to share?
- How has Family Day Care positively impacted your child and family?

We would also love to showcase the voices of our children within our QIP. If your child has recently drawn a picture about their educator, Family Day Care experience, or something they enjoy doing while in care, we would be delighted if you could share it with us.

Please upload your feedback and any drawings in the feedback button below.

Thank you for taking the time to share your thoughts. Your input is greatly valued and helps us continue providing high-quality care and education for children and families.
